*** ALL DEPOSITS AND FEES ARE NON-REFUNDABLE**

New Student Application Fee – This **non-refundable** fee is required for all new students and pays for processing an early childhood and K-12th grade student’s application.

Continuous Enrollment Fee – This **non-refundable fee** places early childhood and K-12th grade students on the school roster, thereby reserving their place at QCCS. QCCS families who will be continuously enrolled for each successive academic year are granted a discounted enrollment rate. The enrollment deposit for the following year will be divided into three installments and billed to your FACTS incidentals account. Payments will be due each year on March 1, April 1 and May 1. **These fees are non-refundable and non-transferable once billed or paid.**

Late Enrollment Fee – This **non-refundable fee** of \$100 is assessed to all returning students who do not re-enroll before May.

Annual Tuition – Tuition is paid in twelve monthly payments beginning June 1, 2026 and is due by the first or 15th of every month. You may also pay the entire tuition by August 1, 2026. *All families will be required to set up a FACTS agreement which will provide you with flexible payment type and date options.*

Withdrawals - Students are not withdrawn until an official withdrawal form is signed and returned to the Admissions office. Because the hiring of teachers and staff and the ordering of textbooks and other classroom material are based up enrollment, withdrawals are subject to the following obligation:

Withdrawals after June 1..... One-month's tuition is due
Withdrawals after July 1..... Two-month's tuition is due
Withdrawals after August 1..... Three-month's tuition is due
Withdrawals after the start of school
before December 31st..... Half a year's tuition is due
Withdrawals after January 1st..... Full year's tuition is due.

Additional Expenses – Other costs may be incurred for trips, after care, lunches, fine arts participation fees, athletic participation fees, clubs, or other activities.

Late Payments – Late payments will be assessed a **\$50 late fee if not paid on time. Students may not attend classes, or participate in any activities, if tuition accounts are more than 30 days behind unless payment arrangements have been made with administration.** QCCS will not guarantee a place on the roster for students whose billing accounts are one month overdue.

Returned Checks/NSF – If a scheduled auto draft payment is returned for any reason FACTS will process a \$30 returned payment fee. If a check given directly to QCCS is returned by the bank for insufficient funds or any other reason, a fee of \$30 will be charged. If a second payment is returned for the same family, the account may be placed on a cash or credit card only basis.
